MEMORANDUM FOR: Deputy Director for Support

SUBJECT : Report on General Cushman's Travel

1. This memorandum is for information only.
2. On 24 March 1969, General Anderson, Deputy Director for Personnel, Marine Corps, called to give me a current status report on General Cushman.
3. General Cushman will depart Vietnam on 26 March 1969 as originally planned. On that date he will report by letter orders to the position of Deputy Chief of Staff/Manpower, a three-star Marine Corps billet. Actually, General Robertshaw has been nominated and will occupy this position, but action on General Robertshaw will be delayed until the President signs General Cushman's appointment as Deputy Director of Central Intelligence.
4. General Cushman will arrive at Camp Pendleton on or about 1 April 1969. He wants to fly to Washington and his wife wants to drive. General Anderson thinks he will drive and arrive in Washington sometime between the 10th and the 12th of April.
5. Congress will probably recess on 3 April and reconvene on the 9th. Hearings by the Committee are usually held on Thursday. Subject to final agreement by the Committee, General Anderson now anticipates that General Cushman will appear before the Committee on 17 April. General Cushman is planning on one or two days of briefing by the Agency before the hearings. General Anderson will continue to keep us informed.
